

Executive for Personnel & Administration

19 November 1946

Chief, Legislative Liaison Branch

Projects of Legislative Liaison Branch for Week Ending
19 November 1946.

1. The following projects are currently being developed by the
Legislative Liaison Branch:

- a. The office of Captain Clarke W. Clifford, Special Counsel to the President, requested a draft of Proposed C.I.G. Legislation. Draft prepared by Chief, Legislative Liaison Branch. After additional material and suggested corrections have been incorporated

25X1

- b. It has been determined to incorporate with Proposed CIG Legislation, for submission to the Director, a section on control of information in an attempt to bolster certain weaknesses in the present Espionage Laws.
- c. Preparation of a memorandum for the Director in connection with Captain Clifford's criticisms of the draft of CIG Legislation submitted last July.
- d. Requested and received from the office of Senator Barkley (D., Ky.) a set of the Hearings before the Joint Committee on the Investigation of the Pearl Harbor Attack for the CRE Library.

WALTER L. PFORZHEIMER
